# OBJECTIVES OF VA ADVISORY COMMITTEES

## VA National Academic Affiliations Council

To provide advice to the Secretary of Veterans Affairs on matters affecting partnerships between VA and its academic affiliates.

## Advisory Committee on **Cemeteries** and Memorials (Statutory)

To provide advice to the Secretary of Veterans Affairs on the administration of national cemeteries, the selection of cemetery sites, the erection of appropriate memorials, and the adequacy of Federal burial benefits.

## Clinical Science Research and Development Service **Cooperative Studies** Scientific Evaluation Committee

To provide advice on VA cooperative studies, multi-site clinical research activities, and policies related to conducting and managing these efforts while ensuring that new and ongoing projects maintain high quality, are based upon scientific merit, and are efficiently and economically conducted.

## Advisory Committee on **Disability Compensation** (Statutory)

To provide advice to the Secretary of Veterans Affairs on establishing and supervising a schedule to conduct periodic reviews of the VA Schedule for Rating Disabilities (VASRD).

## Veterans' Advisory Committee on **Education** (Statutory)

To provide advice to the Secretary of Veterans Affairs on the administration of education and training programs for Veterans and Servicepersons, Reservists, and dependents of Veterans under Chapters 30, 32, 35, and 36 of Title 38, and Chapter 1606 of Title 10, United States Code.

## Veterans' Advisory Committee on **Environmental Hazards** (Statutory)

To provide advice to the Secretary of Veterans Affairs on adverse health effects that may be associated with exposure to ionizing radiation, and to make recommendations on proposed standards and guidelines regarding VA benefit claims based upon exposure to ionizing radiation.

## Advisory Committee on **Former Prisoners of War** (Statutory)

To provide advice to the Secretary of Veterans Affairs on the administration of benefits for Veterans who are former prisoners of war, and to assess the needs of such Veterans in the areas of service-connected compensation, health care, and rehabilitation.

## **Genomic Medicine** Program Advisory Committee

To provide advice on the scientific and ethical issues related to the establishment, development, and operation of a genomic medicine program within the Department of Veterans Affairs.

## **Geriatrics and Gerontology** Advisory Committee (Statutory)

To provide advice to the Secretary of Veterans Affairs on all matters pertaining to geriatrics and gerontology by assessing the capability of VA health care facilities to meet the medical, psychological, and social needs of older Veterans , and by evaluating VA facilities designated as Geriatric Research, Education, and Clinical Centers.

**Research Advisory Committee on Gulf War Veterans' Illnesses (Statutory)**

To provide advice to the Secretary of Veterans Affairs on proposed research studies, research plans, or research strategies relating to the health effects of military service in Southwest Asia during the Gulf War.

**Health Services Research and Development Service Merit Review Board**

To provide advice on the fair and equitable selection of the most meritorious research projects for support by VA research funds. The ultimate objective of the Board is to ensure the high quality and mission relevance of VA's legislatively mandated research and development program. Board members advise on the scientific and technical merit, originality, feasibility, and mission relevance of individual research proposals. They also advise on the adequacy of protection of human and animal subjects.

**Advisory Committee on Homeless Veterans (Statutory)**

To provide advice to the Secretary of Veterans Affairs on benefits and services provided to homeless Veterans by the Department of Veterans Affairs.

**Joint Biomedical Laboratory Research and Development and Clinical Science Research and Development Services Scientific Merit Review Board**

To provide advice on the scientific quality, budget, safety, and mission relevance of investigator-initiated research proposals submitted for VA merit review consideration. The proposals to be reviewed may address research questions within the general area of biomedical and behavioral research or clinical science research. The Board also advises VA research officials on program priorities and policies, as well as administration of VA's intramural program.

**Advisory Committee on Minority Veterans (Statutory)**

To provide advice to the Secretary of Veterans Affairs on the administration of VA benefits for Veterans who are minority group members in the areas of compensation, health care, rehabilitation, outreach, and other services.

**National Research Advisory Council**

To provide advice to the Secretary of Veterans Affairs on research and development sponsored and/or conducted by the Veterans Health Administration, to include policies and programs of the Office of Research and Development.

**Advisory Committee on Prosthetics and Special Disabilities Programs (Statutory)**

To provide advice to the Secretary of Veterans Affairs on VA prosthetics programs and the rehabilitation research, development, and evaluation of prosthetics technology. The Committee also assesses VA programs that serve Veterans with spinal cord injury, blindness or vision impairment, loss of or loss of use of extremities, deafness or hearing impairment, or other serious incapacities.

**Advisory Committee on the Readjustment of Veterans (Statutory)**

To provide advice to the Secretary of Veterans Affairs on policies, organizational structures, and the provision and coordination of services to address Veterans' post-war readjustment to civilian life, with particular emphasis on post-traumatic stress disorder, alcoholism, other substance abuse, post-war employment, and family adjustment.

**Veterans' Advisory Committee on Rehabilitation (Statutory)**

To provide advice to the Secretary of Veterans Affairs on the rehabilitation needs of disabled Veterans and the administration of VA's rehabilitation programs.

**Rehabilitation Research and Development** Service Scientific Merit Review Board

To provide advice on the fair and equitable selection of the most meritorious research projects for support by VA research funds, and to provide advice for research program officials on program priorities and policies. The ultimate objectives of the Board are to ensure that the VA Rehabilitation Research and Development program promotes functional independence and improves the quality of life for impaired and disabled Veterans.
